COMMUNITY PARTNERSHIP

At NNT, we're proud to showcase the work of local Indigenous artists through dynamic partnerships that deliver standout designs.

We work with Warlukurlangu Artists, an Aboriginal-owned art centre located in the Yuendumu community in remote central Australia, which promotes the maintenance of local Indigenous culture through Aboriginal art.

Artwork licensed from the Indigenous artists who paint there is turned into special, limited-edition prints that are used across a select range of NNT styles.

A percentage of the proceeds from the sale of each garment goes directly to the artist and the community-owned centre, so they can continue their important work.
